

**Rainbow Planning Group Meeting Minutes
Jun 17, 2009**

Roll call: Twelve members were in attendance: Jim Anderson, Art Deming, Craig Ohlson, Curt Nicolaisen, Ron Trotter, Paul Georgantas, Bill Crocker, Keith Flanagan, Julio Avila, Frederick Rasp, Bud Swanson, and Juanita Pearce.

Rua Petty and Mila Bonner were on excused absence.

The regular meeting was called to order at 7:00 p.m. by Jim Anderson, Co-Chair, followed by the Pledge of Allegiance. Roll call certified a quorum was present.

The May meeting minutes were approved unanimously with minor corrections.

Open forum:

1. Jerri Arganda offered a discussion regarding Liberty quarry annexation exigencies and offered that Fallbrook Utilities may be supplying water resources to these entities.

County Action Items:

1. No County action items

Old Business

1. No changes on the Pala-Temecula road boundary adjustment.
2. Any road issues are still being worked on and submissions will be made to the county at a later date.
3. It was confirmed that the electronic signs erected by Pala on I 15 were unpermitted and a motion to formally protest was unanimously passed and a letter from RPG to the stakeholders was initiated.
4. Ground Water Rainbow Valley ~ Nothing new
5. Currently the RPG has not in place a separate design review committee as the entire RPG functions as such. Bud Swenson moved that after review of the plans that RPG accept the design changes of the J Chen property improvements. The motion passed unanimously.
6. Riverside Lafco rejected Temecula's bid for annexation of the liberty quarry site.
7. A discussion took place and complaints heard regarding the deleterious environmental manifestations of several race tracks on the Pala reservation. Many meetings are scheduled and letters will be written in protest by the RPG and the Rainbow citizenry.
8. A sticking point remains regarding mining development within the Rainbow Community Plan. The RPG remains steadfast in their opposition to the potential of additional mining operation in the area. Edits to the plan are being submitted by Bud Swenson and Jim Anderson.
9. Fire emergency reverse cell phone call is now available to the citizenry.
10. Industrial mulching on Taza Road continues and is acceptable by county law as described by Craig Ohlsen.

New Business

1. There was a discussion regarding the need for significant and extensive improvements required to upgrade Interstate 15 access to accommodate the development of the Liberty Quarry.
2. Bob Cheatam's resignation from the RPG was accepted.
